Athletic Director's Report – Rob Reibenschuh (Steve Kline absence due to his birthday – his wife took him to dinner)

Girl's Soccer were playing in the first round of MVAL playoffs tonight

Girl's Basketball to regular season games remaining, if they win both, they are co-champions with a playoff to determine champion. Tonight they play Logan, and Thursday they play Newark. They are in the playoff's beginning next Wednesday.

Boy's Basketball are in the playoffs with a 4-6 record tied with Washington and another school. First playoff game next Tuesday. They play Logan on Wednesday and Newark on Friday.

Spring tryouts have begun for all sports

Wrestling waiting to hear if the qualified for NCS Team Duals this weekend, MVAL's next weekend at Mission. Jo Ann mentioned that the coaches need to teach the team how to win at Rock/Paper/Scissors as a result of the Oakland Tournament Fiasco in which the tournament was shut down and 3<sup>rd</sup>/4<sup>th</sup> and 5<sup>th</sup>/6<sup>th</sup> were determined by Rock/Paper/Scissors. Last weekend Mission San Jose Tournament 4 of 6 wrestlers made it to 2<sup>nd</sup> day of competition with Daniel Luty finishing 6<sup>th</sup>.

Bryon had asked the coach for an update on the Pole Vault mat. Apparently it is still awaiting District approval. Rob to check with Ron Leone on this matter.

Asst. Principal's Report: Rob Reibenschuh

3/5 at 6:30 is Open House for incoming freshman and new students in the Rotunda.

Spirit of America International Presentation with Ethnical Food in the Gym. They are combining both events this year. It was asked if the Boosters are allowed to do a presentation and Rob will verify, but doesn't see any reason why the Group would not be allowed to give a presentation. He also recommended the crab feed banners/posters be on display around the facility.

He clarified that we are still on for pizza on March 13.

Rob mentioned that at last year's Washington Graduation, he noticed a very large tarp representing Washington High School on display. He is not asking Boosters to fund it, but wanted to advise that the school is working on it. He is asking that the Boosters sell merchandise that night, which is Friday June 19. Discussion about selling water and flowers. Concerns on selling water and flowers are covered by Grad Night Committee.

An idea of auctioning off premium seating or parking at Crab feed for graduation – will look into that idea.

Approval was granted for the Freshman Football coach and staff to send an e-mail to Thornton's Yahoo Group to meet the coach and staff, who will be located at the Booster's booth.

Open Forum:

Pearl Williams, speaking on behalf of Boy's soccer, indicated that Soccer will still need uniforms for next season. She indicated that she had a private meeting with Steve today in regards to the uniform situation for both boys and girls soccer. A lot of discussion on this situation as last month it was indicated that the situation had been handled and it appears to still remain an issue. It was requested that this situation remain on record as needing to be addressed no later than the September meeting.

John has recommended that the Boosters refrain at this time from making commitments for next year due to a variety of reasons including but not limited to the economic climate and unknown budgetary issues to be faced by the athletic program, a new Board of Directors will be in place and to be fair to the new Board, not wishing to make commitments that they will be forced to uphold.

Boys Soccer Banquet is Thursday February 19 in the cafeteria. Pearl to e-mail John with names for the Eagle Pride Award.

Much discussion about needing written criteria for the Eagle Pride award.  
Boosters to provide paper goods and punch for the Soccer Banquet.

ASB:

Chaperones needed for the Sadie Hawkins dance on 2/20 sponsored by ASB  
The ASB has been busy with ILC Sharing ideas

Volunteer Report: Tammy Rogers

Coaches List is not Complete

E-mail sent today to all coaches with all pertinent and impertinent Crab Feed information. Gloria Robertson obtained 4 donations on behalf of the Boosters for the crab feed. Club Sport is asking that the Boosters provide Club Sport the names and addresses of the recipients of these items.

The plan is to inventory the Booster's shed on Tuesday 2/10.

Tammy is working with Terry Seltzer, Golf Coach for his Crab Feed baskets – going very well. Through this work, we have received a couple of invitations to host the Golf Tournament – this information has been forwarded to Val.

She has received a couple of trophies for the trophy case, one is a Baseball Trophy that is too large for the case, so they are working on that.

She is putting Teacher invitation letters in the boxes at Thornton and discussed putting them in elementary school. Bryon will get the letters e-mailed to the Board to distribute.

Crab Feed Banners: Dave

Will place at Thornton Jr. High, Dale Hardware (with permission), and on corner of Decoto & Paseo Padre

Crab Feed: John

Meetings for February 17 and March 3 in the Career Center and March 17 at Sujus Tammy working on the Auto Dialer, sending an e-mail to Thornton Yahoo Groups, she is handling the coaches letter, and making sure we have names by March 20 for any donor names to publicize.

John says all permits are good and in hand. He has faxed the signed contract to the DJ, but has yet to receive the signed contract back. He advises we will not take the keys for Holy Spirit until we walk through on Friday night and we will have a walk thru on Sunday to stop last year's problem.

Merchandise: Beverly Zweigle

She showed us the window decals she has been working on. It was discussed to just have the Eagle Head with no wording. She is hoping to have samples by next meeting.

Miscellaneous:

John will purchase bins to store the important paperwork

Susan brought up that Boys Soccer had no First Aid kit. Pearl says she talked with Steve and that the Varsity coach declined, said it was covered. This is not a Booster issue and Rob will address the issue with Steve.

New Business:

Need someone to volunteer to speak at the March 5 "Open House".

Meeting Adjourned: 8:45 p.m.
