Athletic Director's Report: Steve Kline

- Spring Sports is going
- The 5 AD's got together last week with the Superintendent to discuss coach's stipend/budget cuts.
 - Nothing definitive is known at this time
 - Coach's stipends amount to approximately \$98,000/high school for next year. Multiply this by the 5 high schools & it's approximately \$500,000 in stipends.
 - AD's were told that they'll know what will be done by 6/1/09
- Most Coaches are returning, but we may lose 1 (football) as he's a "temporary" teacher who's been "pink slipped"
- Need to update the "Athlete of the Year" banner. (~\$800 - \$1200)
- Crab Feed suggestions for next year are to add 10 more kids for dispensing butter, and getting a "second in command" for AD.
