#### **The Booster's Image needs a Re-Make:**

- Suggestion made to have the merchandise booth at the 1<sup>st</sup> or an early game of each sport this year to help dispel the notion that the Boosters are only here for Football and Basketball.
- Steve Kline will check with Mr. Hamill regarding signage to thank the Boosters
- There needs to be some forum to “thank Boosters’ for what they do for a particular sport – this may help to dispel this negative notion

#### **Marquee:**

- Coaches will give scores (from games) to A.D., and he will get this to Rob Reibenschuh to put on the marquee
- Dave Siegfried suggests that names of student athletes also go on the marquee after a game
